Topping Warmers Single Warmers | Export

SPECIFICATION SHEET

FAST FACTS

The Signature Touch™ Squeeze Bottle Warmer allows you to serve fudge, caramel, and dipping sauces all day long with a water bath that keeps them at a safe serving temperature.

APPLICATIONS

- Make plating quick and easy – move topping bottles to finishing areas
- Heat and serve sauces or dessert toppings

DETAILS

- Signature Touch™ Squeeze Bottle Warmer keeps (3) squeeze bottles warm and within reach to finish dishes, desserts or specialty drinks
- Use for more than just desserts – quickly warm fudge, caramel, and other dipping sauces
- Temperature-sensing thermostat auto-adjusts to provide accurate, even heat to prevent burning and scorching so there is less food waste

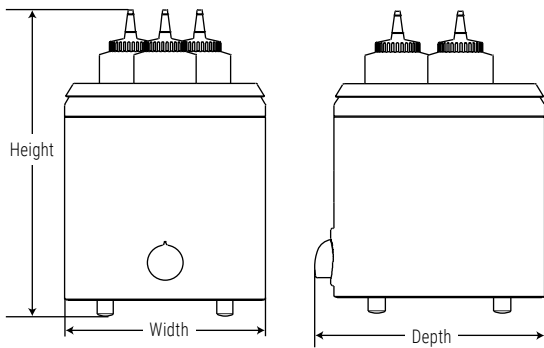

Even heating. Even better topping.

SINGLE WARMER MODEL: SBW

Server model SBW Signature Touch Squeeze Bottle Warmer is constructed of stainless steel with a polished finish. Adjustable thermostat controls the 500 watt heating element with temperature settings marked on the thermostat knob. Power is controlled with an ON/OFF rocker switch. SBW includes (3) .47 L BPA Free, HDPE, dishwasher safe squeeze bottles. C-UL-US listed. Two-year warranty.
